Done Yet!*

Achieve Financial Credit Union set a goal to save its members \$1,000,000 in loan interest during its Auto Loan Refinance Challenge held since January and the goal was already surpassed.

Achieve members refinanced their auto & motorcycle loans from other financial institutions with the Credit Union and received incredible savings! Many members saved hundreds – **even thousands** – in interest. We're thrilled we surpassed our goal so quickly and we REALLY appreciate all of our members who have taken advantage of this opportunity!

There's still time for you to save with Achieve!

Our **Competitive Rates** and **Friendly Service** have helped many members – and we can help you too!
