

Pay Anyone Instructions

Pay Anyone allows you to securely send payments using your Achieve Financial debit card and our Online or Mobile Banking System.

What is Needed in Order to Be Eligible to Use Pay Anyone?

You must have the following:

- An Achieve Financial debit card.
- Access to Online and/or Mobile Banking.
- A valid mobile number listed within your Achieve Online Banking Account.

Your recipient must have the following:

- Debit card issued by a US Credit Union or Bank.
- Valid email address or mobile number.

Sending Money

Login to Online Banking and select the **Pay Anyone** image under the MORE button on the menu.

You will be prompted to enter:

- Recipients email/ mobile phone number.
- Payment amount -
(Daily limit of \$1,500 and a maximum limit of \$3,000 over a 30 day period).
- Your debit card # and expiration date *(first time only)*.
- Your debit card pin #.
- Accept the terms of service and click send.

Once processed you will see "Success". A confirmation email will be sent to your inbox.

Receiving Money

Recipients will receive a notification via email or text with the payment information and a link to collect the funds.

- The recipient will be prompted to enter:
- First and last name
- Debit card # and expiration date. No registration or login is required to accept the funds.
- Accept the terms of service and click Deposit Payment.

If done correctly you will see "Success" and a message letting you know the amount of the deposit and when it will be deposited.

Does It Cost Me Anything to Use Pay Anyone?

There is **no cost** for this service. Standard message and data rates may be applied when using your mobile device.
